

Instructions for weighing out asphalt at NCC with an order number.

You can read more and also see our instructional video by scanning the following QR-code. If you have any questions or hesitations you can always call us at **020-456 000** or **020-457 000** and we will help you further!

Step 1:
Hold your card against the card reader.

Step 2:
If you only have a truck connected to your card and would like to use your tare weight
Choose **"Yes"**
Do you also have a trailer connected to the card?
Select your tare combination

Step 3:
Select **"known order"**. Enter the order number 0300-**00XXXXXXX**.

Step 4:
Select your order by clicking it on the screen. Please make sure it is the correct order.

Step 5:
Enter **"Littera"**. Leave this field blank and click **"Done"** to move on to the next step.

Step 6:
Double check the details. Press **"OK"** to confirm.

Step 7:
Take your receipt. You are now all set. Have a nice day!
