

Certificate

No. 10683-01/10684-01

CERTIFICATE

Inspecta Sertifiointi Oy has granted this certificate as proof that the management system of

NCC Industry AB Solna

complies with the requirements of the standards

ISO 9001:2015, ISO 14001:2015

Certification covers

Operation of quarry and gravel pits as well as production of stone material. Recycling of construction and demolition waste and other materials related to construction work. Manufacture of asphalt and specialty asphalt products. Operations of construction contracts (asphalting, road production) including project management, blasting, production and laboratory services. (Certified sites in the annex.)

The certificate is issued on 2019-01-17.

(Original certificates issued: ISO 9001/1999-11-10, ISO 14001/2000-12-05).

The certificate is valid until 2021-01-31.

Mikko Törmänen, Managing Director

The certificate is valid on condition that the management system of the organization remains in compliance with the aforementioned standards and the General Regulations ABC 200. The validity of the certificate can be verified on the Internet at www.inspecta.fi
